she holds her baby in her arms.

MATERNITY MOMENTS
SATHISH & MEENA

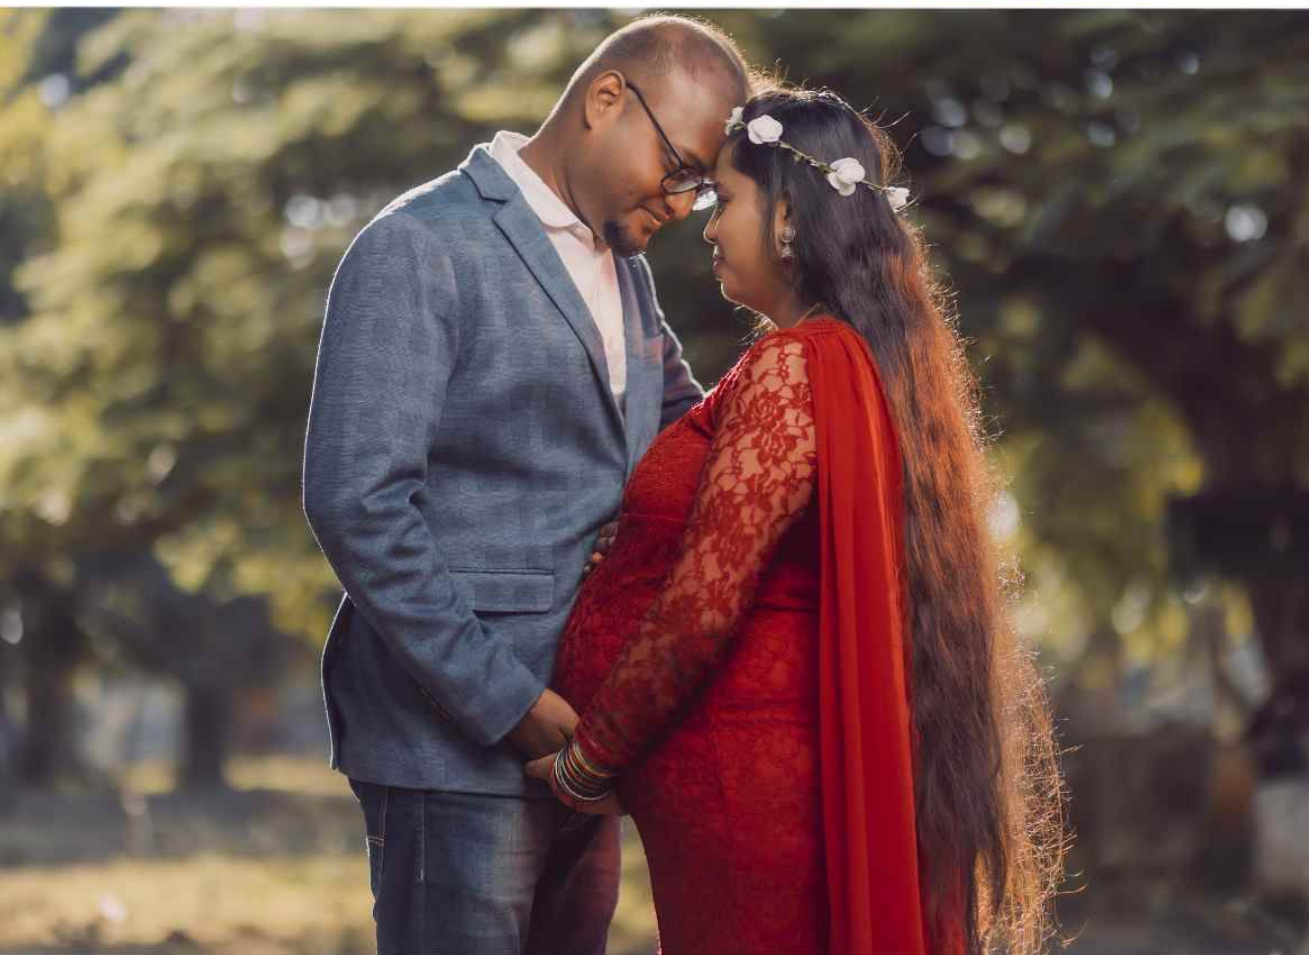

Better Together

Growing a tiny human, one heartbeat at a time.

Every stretch mark tells a story of love and strength.

We've had a few unexpected adventures, but we are more than ready for more as long as we are together.

As we continue on this amazing
journey, may we always see the
beauty and goodness in each other
and now it is in our little one.

MOMMY AND DADDY CAN'T WAIT TO MEET YOU.

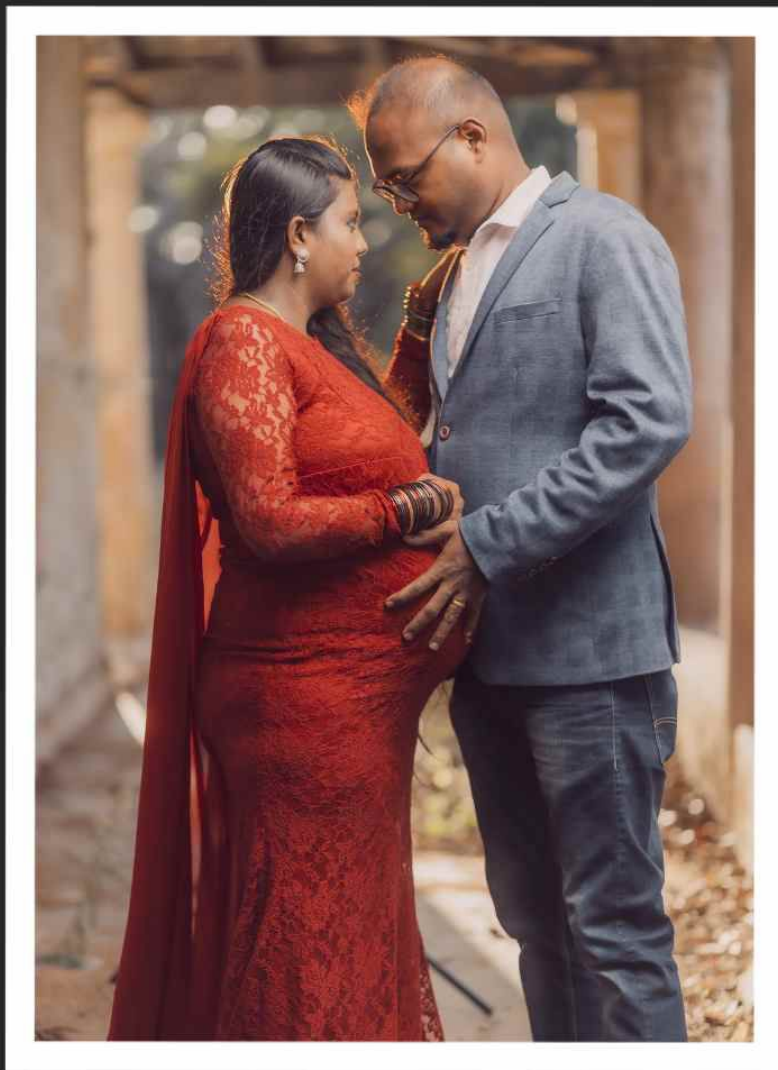

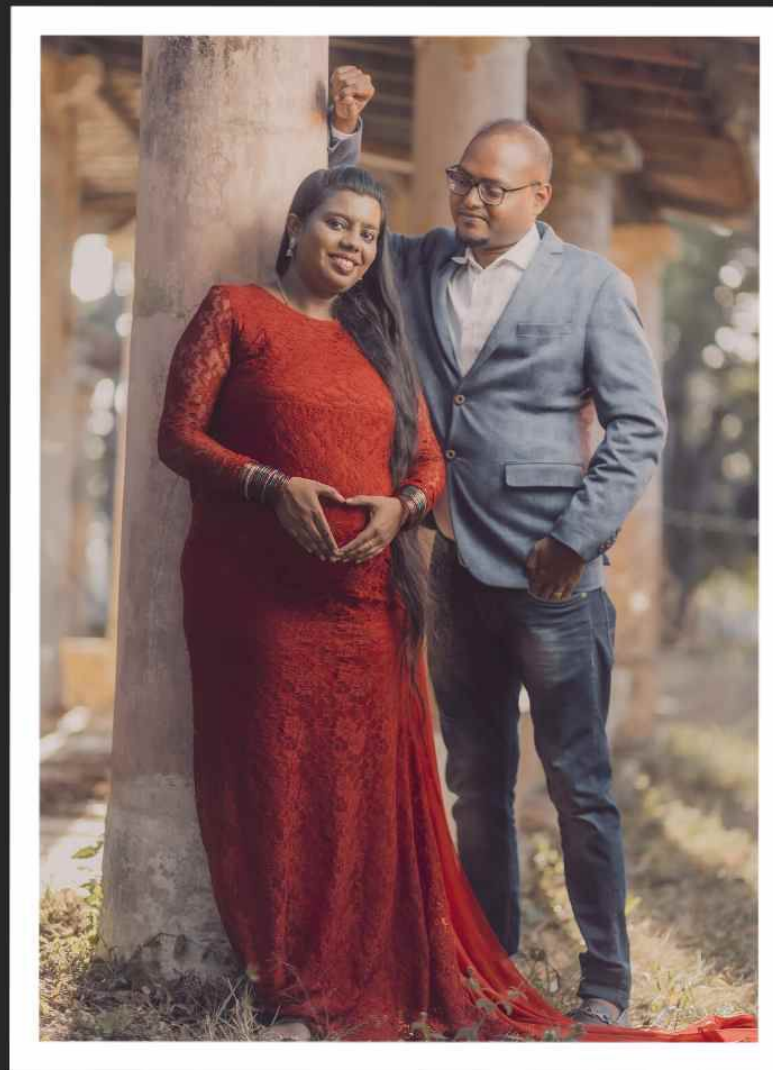

Mommy and Daddy can't wait to meet you.

No matter where we are or where we go...

...home is wherever we're together.
